

CONNECT. COLLABORATE. CATALYZE RESEARCH.

## **Hartung, Erum**

Erum Aftab Hartung, MD, MTR, is a pediatric nephrologist at the Children's Hospital of Philadelphia (CHOP). Her research interests include autosomal recessive polycystic kidney disease (ARPKD), development of imaging biomarkers of kidney and liver disease, and neurocognitive outcomes in children with chronic kidney disease. She currently serves as chair of the Research Committee of the American Society of Pediatric Nephrology, and is the Associate Fellowship Program Director for the pediatric nephrology fellowship at CHOP. Dr. Hartung's research is funded by grants from the National Institute of Diabetes and Digestive and Kidney Diseases (National Institutes of Health). Dr. Hartung is on the faculty of the Perelman School of Medicine of the University of Pennsylvania as Assistant Professor of Pediatrics. She lives in Swarthmore, PA with her husband and 2 children.
