Hospital); Little Rock, Arkansas; *Internal Medicine – Pediatrics Internship and Residency*. 2000-2001: University of Arkansas for Medical Sciences, Department of Pediatrics, *Chief Resident*. 2001-2004: Cincinnati Children's Hospital Medical Center; Cincinnati, Ohio; Division of Pediatric Cardiology, *Fellow*. 2004-2005: Cincinnati Children's Hospital Medical Center; Cincinnati, Ohio; Division of Pediatric Cardiology, *Research Fellow*.

Faculty Positions: 2005-2007: Assistant Professor Clinical Pediatrics, Department of Pediatrics, Division of Pediatric Cardiology, Cincinnati Children's Hospital Medical Center; Cincinnati, Ohio. 2007-2013: Primary: Assistant Professor Pediatrics, Department of Pediatrics, Division of Pediatric Cardiology, Monroe Carell, Jr Children's Hospital; Secondary: Assistant Professor Medicine, Department of Internal Medicine, Division of Cardiology, Vanderbilt University; Nashville, TN. 2013-2018: Primary: Associate Professor Pediatrics, Department of Pediatrics, Division of Pediatric Cardiology, Monroe Carell, Jr Children's Hospital; Secondary: Associate Professor Medicine, Department of Internal Medicine, Division of Cardiology, Vanderbilt University; Nashville, TN. Beginning **February 1, 2018**: Professor of Pediatrics, Department of Pediatrics, Section Chief Division of Pediatric Cardiology, Co-Director of the Heart Center Service Line, Indiana University and Riley Hospital for Children; Indianapolis, IN.

Current Position: Beginning **February 1, 2018**: Professor of Pediatrics, Department of Pediatrics, Section Chief Division of Pediatric Cardiology, Co-Director of the Heart Center Service Line, Indiana University and Riley Hospital for Children; Indianapolis, IN.

Society Memberships: Adult Congenital Heart Association, International Society for Adult Congenital Cardiac Disease, American Academy of Pediatrics Cardiology section, member and fellow, Society of Pediatric Research, Alpha Omega Alpha.

SPR Activities: Active member since 2014.

Research Interests: Congenital heart conditions and inherited conditions with a cardiovascular phenotype, such as Duchenne Muscular Dystrophy and aortopathy conditions, such as Marfan syndrome, Loeys-Dietz syndrome, and familial aortic aneurysm.

Other Information: 2011-2012 National Institutes of Health/NINDS Cardiac Working group for DMD; 2014 Center for Disease Control DMD Care Considerations Working Group "The Diagnosis and Management of Duchenne Muscular Dystrophy"; co-chair of the 2014 Parent Project Muscular Dystrophy and the National Heart, Lung, and Blood Institute-sponsored Working Group on Contemporary Cardiac Issues in Duchenne Muscular Dystrophy; 2017 AHA Scientific Statement writing group "Management of Cardiac Impairment in Neuromuscular Diseases."; 2017 Member of the CVDY & CLCD Adults with Congenital Heart Disease Committee on the Council on Cardiovascular Disease in the Young.

Comment: By actively promoting a commitment to scholarship, seeking talented pediatric-scientists for participation in the SPR, and contributing to the generation of upcoming cardiology scientific programs, I hope to increase the visibility of pediatric cardiology and all pediatric subspecialties to future trainees. The SPR plays a unique and instrumental role in promoting scholarship in all aspects of pediatric research. I look forward to assisting in this important endeavor by serving on the SPR Council.
