

Hayes, Denise

Dr. Denise A. Hayes received her undergraduate bachelor's degree of arts in psychology at William Paterson University of New Jersey. She graduated from Georgetown University School of Medicine in 2007 as a doctor of medicine, and went on to complete her general pediatrics internship and residency at New York Weill Cornell Medical Center. Dr. Hayes completed her clinical fellowship in pediatric cardiology at New York Presbyterian/Morgan Stanley Children's Hospital of Columbia University. She is currently an assistant professor of pediatrics at the Zucker School of Medicine at Hofstra/Northwell, and an attending pediatric cardiologist at the Children's Heart Center of the Cohen Children's Medical Center of New York. Her areas of clinical interest include fetal echocardiography, transthoracic and transesophageal echocardiography, pediatric cardiac critical care, and pediatric pulmonary hypertension.
