

In partnership with CareerPhysician, the **Department of Pediatrics at University Hospitals Rainbow Babies & Children's Hospital (UH/RBC)** is conducting a national search to identify **Adolescent Medicine** faculty member(s) to join their growing **Division of General Academic Pediatrics & Adolescent Medicine (GAP)**.

Adolescent Medicine candidates are welcomed at any academic rank with opportunities to support a clinician- educator or researcher seeking resources to launch/bolster their research career. **2022 Fellows encouraged to apply.**

About UH/Rainbow Babies & Children's Hospital

Located in Cleveland, OH, UH/RBC is a nationally recognized, 244-bed children's hospital and a principal pediatric referral center for Ohio and the region.

The Division is clinically housed in the **UH Rainbow Ahuja Center for Women & Children**, a new 40,000 sq. ft. state-of-the-art center that opened in July 2018. Services include outpatient **general pediatrics, adolescent medicine**, obstetrics, and general gynecology. The Center serves as the continuity clinic location for Rainbow's 90+ pediatric residents and provides care for over 17,000 children and adolescents.

Additional key services available on-site include integrated mental/behavioral health services, dental clinic, optometry clinic, retail pharmacy, on-site WIC office, nutrition education programs, parenting classes, group prenatal and pediatric well care, breastfeeding support, medical-legal partnership, and social needs navigation program.

Opportunities for incoming GAP Faculty

- Practice general adolescent medicine in a supportive, team-oriented environment, with emphasis on education, urban healthcare, health equity and quality improvement
- Creation and expansion of new adolescent medicine clinical services including leadership of clinical and educational programs
- Further develop subspecialty clinical programs dedicated to adolescent care – particular areas of interest include adolescent GYN, LGBTQ health, and eating disorders
- For the right candidate, opportunity for leadership position as Director of Adolescent Medicine
- Opportunity for candidates with research focus to develop research careers with protected time, mentors, and multiple philanthropically supported research efforts currently in place as well to be developed under the leadership of Adolescent Medicine

If you would like to learn more about this opportunity or provide candidate recommendations, please contact Marcel Barbey at **817-707-9034** or marcel@careerphysician.com. Initial conversations will be held in the strictest of confidence for the protection of each candidate and their current endeavors.

UH/RBC is an AA/EOE/ADA employer committed to excellence through diversity.
