

Children's Hospital Los Angeles (CHLA), Fetal and Neonatal Institute, and the Department of Pediatrics/Division of Neonatology affiliated with the Keck School of Medicine of the University of Southern California (USC) are seeking a full-time faculty member at the level of Associate or Professor of Clinical Pediatrics or Clinical Associate or Professor of Pediatric (Clinician Educator) to serve as the Clinical Medical Director for their 58-bed level IV Steven & Alexandra Cohen Foundation Neonatal and Infant Critical Care Unit (NICCU).

The Division of Neonatology consists of 22 faculty and a robust team of Advanced Practice Providers.

The CHLA NICCU is part of our Fetal & Neonatal Institute, bringing families the expertise of our Maternal Fetal Center and our Newborn Follow-up Program.

Candidates must hold an MD or DO degree, be board certified in Neonatal-Perinatal Medicine and have at least 5 years of experience working in a level IV NICU including ECMO. Candidates must be eligible for a California medical license. Strong communication/interpersonal skills and the ability to work in a complex, high-intensity environment is essential.
