

**Chief, Division of Pediatric Cardiology**  
**George E. Batchelor Endowed Chair in Pediatric Cardiology**  
**Department of Pediatrics, University of Miami Miller School of Medicine**  
**Holtz Children's Hospital, Jackson Health System**

On behalf of Dr. Glenn Flores, Chair of Pediatrics and Sr. Assoc. Dean of Child Health, at the University of Miami Miller School of Medicine (UMMSOM), and Physician-in-Chief at Holtz Children's Hospital in the Jackson Health System (JHS), CareerPhysician, LLC, the national leader in academic pediatric leadership recruitment, has initiated an international search to identify a transformational leader to serve as the next UMMSOM Chief of the Division of Pediatric Cardiology and the George E. Batchelor Endowed Chair in Pediatric Cardiology.

- The incoming Chief will have the opportunity to continue the legacy of the program and the responsibility of establishing and implementing a strategic plan that will guide the division into the future. **Eligible applicants shall be at the academic rank of Associate Professor or Professor**, board-certified in pediatric cardiology, and hold or be eligible for an unrestricted medical license in the state of Florida.

**Opportunity Highlights:**

- Benefiting from a highly collaborative and strong divisional culture, tremendous opportunities exist in key areas, such as expanding clinical outpatient services and partnerships with referring community cardiologists, further enhancing the heart failure and cardiac transplant program, and recruiting additional talented faculty.
- With a priority focus on building the divisional research and teaching missions, multiple areas of interest will be supported by the Department, with unique opportunities to collaborate with the Mailman Center for Child Development, an academic center at UMMSOM that is one of the top 10 programs in the United States for children with neurodevelopmental disabilities and chronic illness.
- Newly structured maternal-fetal medicine program and expanding fetal cardiology program.
- Well-established University of Miami-Jackson Memorial Hospital Pediatric Cardiology Fellowship program that has experienced longstanding unconditional ACGME accreditation.
- Opportunities to build satellite outpatient clinics across the South Florida region.
- As part of the Total Rewards benefits package, University of Miami faculty, staff, and eligible dependents can receive tuition remission for undergraduate and most graduate degree programs.
- Miami is known as the top ranked healthiest city in the United States, where you will enjoy no state taxes, weather that is never cold, endless recreational pursuits, and world-class amenities!
